### DEFICIT IS SCALED DOWN

While the Road is Not Making Any Money These Democratic Days, it The Cleveland Rolling Mill company Formerly—The Figures for Last of 100 men on orders which it will take six months to turn out.

The February statement of the Reading Railroad and Coal and Iron companies was issued yesterday afternoon. The gross receipts of the rail-road company were \$1,270,617; gross expenses, \$805,944, having a profit from operating of \$473,673; net re-ceipts from other sources added to operating profits make the profits for the month \$487,836. The total charges for the month aggregate \$937,365 thus leaving a deficit for the mouth of \$449.530. The deficit of the fiscal year to date (three months) is \$826,721, a decrease of \$927,757 from the deficit of the corresponding period of the previous fiscal year. The gross receipts of athe Coul and Iron company were \$1 .-480,069 and the gross expenses \$1,586 - 476. One-twelfth of the current year's fixed charges added to the loss from mining makes the deficit for the month \$314,727. The deficit of the fiscal year ur-e months) is \$339,382, a decrease of \$59,565 from the deficit of the corresponding period of the previous fiscal

The soft coal carrying roads have decided upon a reduction in freight rates | box. For sale by Matthews Bros. to take effect April 2 when the new circular rates of the soft coal operators becomes effective. The rate to Philipdelphia, Newport News and Baltimore will be reduced from \$1.40 to \$1.30. To South Amboy the reduction will be 20 cents per ton, and to Jersey City and New York harbor 15 cents per ton, These rates apply only to such coal as is shipped there for transportation by vessel to other points. The raduction of 23 cents per ton in the circular rate is made up to the operators by these reductions and a cut in the wages of the mners from 10 to 13 cents per ton.

The raduction ment of the Daring difficulty had at last been accomplished. If this is so, no other resson is required for the recent buying of ductions and a cut in the wages of the mners from 10 to 13 cents per ton.

The Philadelphia Times thicks that as the representative center of the individual operator the Fifth anthracite istrict has no parallel in the state There are eighteen great interests within a radious of eighteen miles of Hazleton, the natural supply point of the district, and the annual report of the mine inspector just made public shows a total production of coal of 6,239,098 tons with total shipments at ,591,633 But three corporations figure in the list of operators, indicating the nicety of distribution of available lands among the individual developments, and of the output the corporations have credit for a million tons only. The Upper Lanigh coal field is very interesting, as it presents phases of the labor question absent is the others, and mining with the operators there has become very much of science.

In along editorial the Philadelphia Press quotes the law governing the appoves the refusal of Governor Pattison, upon recommendation of Daputy Attorney General Stranahan, to appoint John McGuire mine inspector of the Eight authracies district. "It is not," the Press says, "a question of individuals, but it is one or very decided concern as bearing upon the efficiency of mine inspection and the safety of human life. There are eight of these mine inspectors provided for the anthracite region, whose salaries and ex-A Quarter Century Test.
